

UK Company Searches and Credit Reports

Prepared and analysed by our team of specialists

Full UK company search

Our Company Search can be tailored to meet your requirements. Based on the latest available data, a full search includes:

- Date of incorporation
- Registered Number and Registered Office Address
- Change of Name History
- Memorandum and Articles of Association
- Current Directors and other Directorships
- Copy of the Latest Annual Return & Accounts
- List of the outstanding charges on the Mortgage Register.
- Adverse information including petitions, meetings of creditors or other potential insolvency procedures (which may not yet be on the Companies House files), to give you an early warning sign

Historical company searches

Our experienced team specialise in finding companies that cannot be found using the Companies House index. These companies may have dissolved or changed their name many years ago.

Our extensive database includes an archive of historical companies which allows us to conduct a far more detailed search. For further information on this service, please speak to an expert on 01 17 918 1220.

In addition to full searches you can order a wide range of other searches and reports including:

- Non Limited Company Report
- Accounts & Annual Returns
- Copy of Mem/Arts
- Registered Office Search
- Status Report with Credit Rating
- Copy Mortgage Register
- Liquidation, Winding up, Striking off Search
- Winding-up Petition Search
- Conveyancing Search
- Directors Tracing Search
- CCJ Bankruptcy (Individual)
- CCJ Liquidation (Company)

Report delivery

Under normal circumstances when all documentation is available, all orders received before 4.00pm are guaranteed to be dealt with the same day. Searches will be despatched via email.
